918 Tilt-in-Space Shower Chair Commode

The Osprey 981 Tilt in Space Chair is the perfect choice for those users who need a little extra support when seated. The chair is highly adaptable and comes with a range of adjustable features.

The 981 features a stainless steel frame with a 15 year warranty, adjustable headrest with mesh cover, mesh calf strap, choice of four seat styles: flexi; horseshoe; toilet; full, and a choice of three armrest styles: kinked in; kinked out; or straight. It is also available with a choice of four footrest styles: standard one piece; short one piece; individual; or looped (no pad).
